A SYSTEMIC CLINICAL SUPERVISION FUNDAMENTALS COURSE – FALL 2021

OCTOBER 1, 2 & 22, 23; NOVEMBER 5, 6 & 19, 20 9:00AM TO 2:00PM ONLINE VIA ZOOM

About the Course: This 36-hour/3-credit university equivalent supervision course is designed to meet professional association requirements. It will enhance the skills for Masters/Doctoral level counsellors/therapists who provide clinical supervision at government and community mental health agencies, private counselling centers, academic training institutions and private practice settings. The course features a systemic, relational and collaborative framework for clinical supervision practice. Supervision theory is integrated with best clinical practice elements alongside opportunity for experiential practice sessions and guided evaluation.

VANGE WILLMS THIESSEN, BSCN, MAMFT, DMIN
ESTERA BOLDUT, BSW, MAMFT, PSYD

About the Presenter-Facilitators:

Vange, as an MFT therapist and CAMFT registered member and supervisor-mentor, has provided individual and group supervision for the past 22 years to MFT/counselling student interns and graduate therapists, both in Canada and Kenya. She has been instructing supervision courses for the past 18 years.

Estera is an experienced MFT clinician and supervisor. She holds the position of the MAMFT Program Director at TWU/ACTS. Her clinical supervision practice includes student interns and graduate therapists. The focus of her Doctoral Dissertation is on self-compassion and the personal growth of the clinician as it applies to therapeutic engagement.

Endorsements: "This course presented many valuable theories, models & approaches to clinical supervision which greatly enhanced my practice." "The learning experience was informative, integrative, and cutting edge." "Facilitators are highly knowledgeable and skilled clinical supervisors who effectively blend research and theory with their experience and wisdom."
