

Happening in Vancouver BC!  
In-person Externship at the Vancouver Centre for Emotionally Focused Therapy  
with Certified EFT Trainers  
Yolanda von Hockauf, RMFT and Veronica Kallos Lilly, R.Psych.

When: April 8-11, 2024  
Where: Holiday Inn, 711 W. Broadway, Vancouver

This four-day training provides a full journey of the EFT roadmap, focusing mainly on couples/adult love relationships, but regularly referencing the application to individuals and families. For those interested, it is the first step toward certification.

Yolanda and Veronica have co-trained for 22 years and offer a rich and culturally sensitive experience. Using short lectures, video demonstrations of real clients and opportunities to discuss and practice, you will see the power of using the attachment framework explicitly to de-escalate reactivity and shape new, secure bonding events.
