

Invitation for Applications from Qualified Counselling Professionals

The [Manitoba Blue Cross](#) Employee Assistance Program is growing! We've launched several new programs in recent months and have more on the horizon. To support our ongoing growth as well as meet immediate needs, we're looking for energetic, motivated and well-qualified professionals with a master's or doctoral degree in a relevant field such as psychology, marriage and family therapy, or clinical social work who are experienced in providing:

- Individual (all ages), relationship and family therapy, using both in-person and online delivery
- Workplace and organizational assistance in areas such as critical incident response, change management, conflict resolution and mediation
- Online and in-person workshop delivery in your area(s) of specialization
- Addiction counselling
- Cognitive Behavioural Therapy skills for depression and anxiety management

We'd also be glad to hear from you if you have:

- Interest or experience creating online self-management programs in your area(s) of specialization and supporting clients as they complete these programs
- Written articles or created other content utilizing your clinical expertise
- Experience in a field not previously mentioned

If this opportunity sounds exciting, we'd love to hear from you. Please email Jodie Voth or Cyndi Kindret to introduce yourself:
