Description

MASTER THE EFT TANGO is the 12th instalment of the Online EFT workshops series that will hone your EFT skills. This workshop is for both new and seasoned EFT Therapists. **THE EFT TANGO** is the elegant way in which EFT therapists will help clients work through their emotional blocks and help them take risks in sharing their vulnerabilities with their significant others or imagining others. EFT therapists will use the TANGO from the first session to the last session. This one-day training will help you dive you the five different moves of the EFT TANGO and help you **MASTER THE EFT TANGO**. The TANGO will work to deepen our clients and help them restructure their bonds and rebuild their attachment security.

The training will be recorded but it is not available for purchase. Participants are granted 6 weeks to watch the recording.
