for

New! Cyber & Privacy Breach Coverage

Allied Health Care Professional Coverage

A simplified Professional Liability wording intended to cover all Mental Health and professional exposures related to a member's practice.

Disciplinary Hearing Insurance

Disciplinary Hearing Insurance provides coverage for all legal defense expenses associated with complaints made to the regulator and will be covered up to the policy limit.

Breach of Confidentiality

Breach of Confidentiality Insurance provides legal expenses incurred in the defence or investigation of an unintentional breach of confidentiality are now covered up to the policy limit.

Commercial General Liability Insurance

Commercial General Liability Insurance covers lawsuits for bodily injury ("slip & fall"), personal injury, and property damage related to a member's practice.

Additional Benefits

- Pro-Bono Legal Service
- Optional Discounted Office Packages
- \$1,000,000 Abuse Liability
- Worldwide Territory

Optional Coverages

- Home and Auto Insurance
- Clinic Packages
- Group Benefits
- Life and Health Insurance

While members' professional liability policies automatically cover online and tele-therapy for third party allegations of professional negligence, there are other exposures associated with operating in an online environment.

Practitioners who digitally store client data and take online payments should consider purchasing the Cyber & Privacy Breach Extension. It covers cyber liability, privacy liability, system damage, system business interruption, regulatory actions & investigations, and privacy breach notification costs with a \$100,000 limit for an annual premium of \$65
